# TV PERFORMANCES

## Wizard Wars

Kyle & Mistie Knight appeared on SyFy's magic competition show, Wizard Wars. Given random everyday items, the illusionists had to create original magic and compete against with other top magicians from around the world, judged on the areas of creativity, showmanship and deception. In the final round, Kyle & Mistie stunned the judges by vanishing one of the borrowed rings, making it reappear inside of a REAL egg. The incredible illusion helped the duo fool the judges, including Penn & Teller, and take home the \$10,000 grand prize!

"You showed skill and you created a stunningly fabulous magic trick. We sat here scratching our heads over that damn egg!"

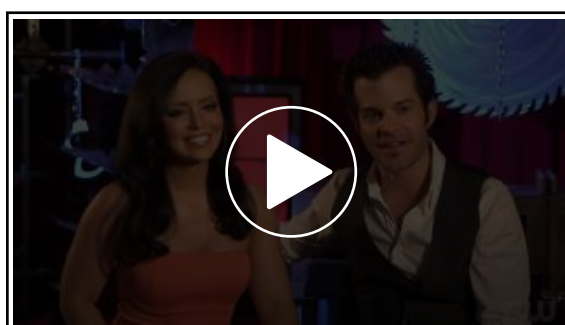

– Penn Jillette of Penn & Teller

## Fool Us

After seeing their win on Wizard Wars, the producers invited Kyle & Mistie to appear on CW's hit show Penn & Teller: Fool Us. Kyle & Mistie performed a unique illusion in their signature style of involving the audience!

Escapist Magazine called their performance "...easily the most charming act of the night"

"After seeing Kyle and Mistie Knight's awesome stage show in person, I wasn't sure if an online platform/virtual show would be comparable. I'm pleased to say that the Zoom show with my corporate colleagues was just as amazing, and it was interactive, engaging, and fun. Hiring them for a virtual show was a great decision, especially in these stressful times. They are truly great entertainers. Thank you Kyle & Mistie!"
